Date: 24 January 2015

The Municipal Commissioner
Kalka Nagri
New Delhi- 100098

Subject: Complaint regarding non clearance of garbage.

By the way of introduction my name is Chaya Dutta, I am a resident of Sanagam Apartments, Kalka Nagri , Kalandi Khand. I have been living with my family in this locality for about thirty five years .We have been a active and responsible citizen and have been actively participating in municipalities initiative for the locality.

I am writing this letter to inform you that from last few years an illegal waste disposing ground has been created right next to our apartments. This matter has been reported several times but no action has been taken by the concerned authorities. Moreover from past two months the heap of

garbage keeps on increasing. There is no civic authority that is responsible to clear the garbage. When we reported the matter authorities claimed that since it is an unauthorized ground, it does not have any sanctioned team for clearance. We pointed out our complaint of illegal land but the officers refuse to consider it. They say it is a judiciary case and thus allotment of civic body is not possible moreover they are not letting residents appoint agencies to get the garbage cleared. Residents fear this can cause a lot of health related issues for all. I would request you to please go through the matter and take action as soon as possible.

I would like to request you to please consider my request I look forward for a positive response. Thanking you for the same.

*Yours Sincerely
Chaya Dutta
